**Website:** <http://www.michelletomlinson.net>

**What music you like?**

I like all kinds of music. I'm listening to The Cure as I answer this Interview. I love everything from The Doors to Rihanna to Waylon Jennings to Enya.

**What Horror movie you like?**

Anything entertaining! Films that have gotten me freaked out include Hostel and The Ring. For a fun romp, the original Night of the Living Dead is awesome and any of the old school slasher flicks like Nightmare on Elm Street.

**Another movie you like?**

I'm fond of What Dreams May Come. It's inspiring to see what others might do for love and it's incredibly well executed.

**Favorite tv shows?**

I'm hopelessly addicted to FRINGE. I also enjoy CSI and The Mentalist and the occasional Twilight Zone.

**What kind of books do you read?**

Mostly fiction. The Alchemist, God on a Harley, Da Vinci Code, The Shack and Harry Potter. ;)

Something about you?

I'm a huge fan of nature and animals. I respect our earth and it's inhabitants and love nothing more than being on set and creating.

What food you like?

I know it's a vague answer, but I like just about anything that's vegetarian and spicy. I also love sushi.

What drinks you like?

If you're talking alcohol, I love Patron! I don't drink often, but when I do it's usually only Patron. I drink a ton of herbal tea and water though, on a daily basis.

What do you love to do?

I love to Hike, play with Wolves, go to Yoga Class, Create new Projects and of course... Act. :)

Will you say anything to say to the Swedish people?

I actually have a strong Swedish Heritage--with that comes a natural affinity for Swedes. :)

What did you hope for the 2010?

To keep breathing and taking the next step--and doing so with the amazing people I have in my life.

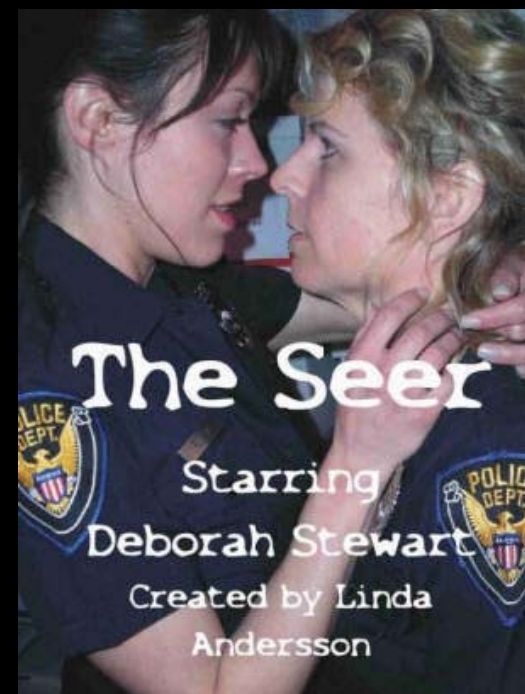

Did you do any movie now?

I just shot a Teaser for a Feature Film called What Tigers Do by the lovely Richmond Riedel and am set to shoot two different Webisodes that are majorly strong kick ass chick characters.

What horror movie you have do?

The Cellar Door, Brain Dead and George's Intervention. Can't wait to do another one!

Anything i forgot you will say?

I have lots of projects on the skillet for 2010, so it's best to keep an eye on the news section of my website:
