The Mann Theatre in Hollywood was the place to be for horror fans this past Friday night, October 8, as Adam Gierasch's *Night of the Demons* premiered during the LA Screamfest Horror Film Festival, which is also celebrating its 10th year this month.

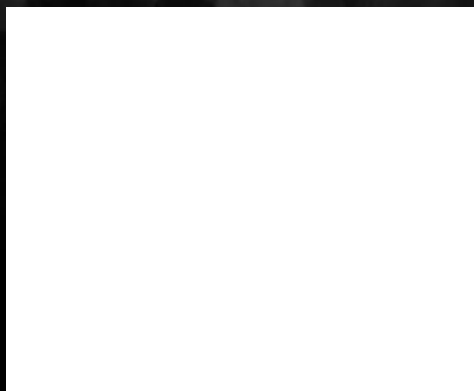

On hand for the premiere were Screamfest supporters like Adam Green, Rileah Vanderbilt, Darren Lynn Bousman, Tim Sullivan (who arrived with VH1's "Scream Queens" Season Two winner Gabrielle West) and David Arquette, who just returned to the West Coast after wrapping on *Scream 4*.

Also walking down the stylish black carpet were *Night of the Demons* stars Monica Keena, Edward Furlong, Shannon Elizabeth, Bobbi Sue Luther, John F. Beach, Tiffany Shepis, Gierasch, his wife and co-writer of *Demons*, Jace Anderson, and the film's producer (as well as the man who helmed the original *Night of the Demons* in 1988) Kevin Tenney.

Check out Dread Central's exclusive video coverage as well as our red carpet stills below, and look for tons more coming to you from the Screamfest Film Festival all week long.
